HISTORY

Maryvale Preparatory School was founded in 1945 by the Sisters of Notre Dame de Namur as a boarding and day school for pre-primary through Grade 12. From 1948 to 1972, Maryvale enrolled girls and boys through Grade 8. Today, Maryvale is a Catholic college preparatory school for young women in Grades 6-12.

CURRICULUM

The school's curricular offering is designed to meet the needs of a diverse student population while preparing students for the rigor, structure and expectations of college. While 100% of students participate in a college-preparatory curriculum with an expected level of rigor, flexibility and student choice are emphasized by offering multiple levels for each class: College Preparatory, Accelerated, Honors and Advanced Placement.

Maryvale offers many one-semester, half-credit courses, permitting our students to experience a traditional college class schedule as well as offer a broader array of courses in all subject areas. Students take seven courses per semester. Exceptions are allowed for students enrolled in three or more AP-level courses. In those cases, students are permitted to take six courses per semester.

The structure of our freshman and sophomore curricula limits the opportunity for students to take Advanced Placement classes. Sophomore year, one section of AP World History is offered; enrollment is by teacher recommendation. Students may take no more than three AP-level courses junior year and five as a senior. Most often only one section of an advanced course is offered, and scheduling conflicts do occur.

MARYVALE

LEARN. LEAD. SUCCEED. Educating Young Women for Life

MISSION

Maryvale, a Catholic independent girls' school serving grades six through 12, affiliated with the Sisters of Notre Dame de Namur, provides an environment in which each student can reach her academic, spiritual, physical and civic potential in a loving, supportive and diverse community. Building upon its unique and special heritage, Maryvale's mission is to provide an exceptional education that responds to change and prepares young women for life.

CORONAVIRUS RESPONSE

Maryvale Preparatory School ceased in-person instruction on Wednesday, March 11 and transitioned to live distance learning on Tuesday, March 17.

During distance learning, the school day began at 8:00 AM and concluded at 2:45 PM on Monday-Thursday. The existing daily class schedule was maintained throughout this time. Each course was limited to two Zoom sessions of the four class periods per week. Students used Fridays to complete lessons, allowing faculty to prepare for upcoming instruction.

Grades were recorded in Quarter 4 and a final grade was calculated averaging Quarters 1-4. Advanced Placement exams were administered to students enrolled in those classes. For all other classes, final exams were waived.

For the 2020-2021 academic year, the school administration elected to begin the year with virtual instruction, planning to reevaluate as the academic year progresses.

Classes will be conducted by Zoom and a formal class schedule maintained. Classes are held Monday through Friday from 8:30 AM to 2:50 PM.

Courses posted on senior transcripts are a student's actual scheduled classes. Maryvale has not shortened hours of instruction or forfeited any scheduled classes due to virtual learning.

Normal letter grading policy will be in place for this academic year regardless of how instruction is delivered.

Online courses are available to select students through Anne Arundel Community College, Towson University, and Virtual High School. The final grade and transcript for these online courses are provided by the institution. Maryvale does not award grades for these classes, but the final grade is included on the Maryvale transcript and computed in a student's GPA calculation.

ST. JULIE BILLIART PROGRAM

The St. Julie Billiart (SJB) Program serves college-bound students with diagnosed language-based learning differences. SJB students receive instruction from experienced learning specialists using proven instructional methods, allowing them to successfully navigate our college-preparatory curriculum. Students in the program are enrolled in all academic levels of courses.

LEADERSHIP SCHOLARS

The Leadership Institute provides a focused approach to support curricular and co-curricular leadership offerings. Students choose from a range of courses in leadership styles, communication tools, strategic planning, resume preparation, interviewing techniques, project development and evaluation business fundamentals and innovation in entrepreneurship.

Students in this selective, application-based program complete four core courses, additional service hours as well as a final Capstone Project. Certificate of completion awarded at graduation.

VISUAL ARTS SCHOLARS

Students with a strong interest in visual arts may apply to this program. Visual Arts Scholars are permitted to enroll in additional art electives in both freshman and sophomore years. Successful completion of four credits of Visual Arts coursework and development of a final portfolio are program requirements. Certificate of completion awarded at graduation.

are program requirements. Certificate of completion awarded at graduation.

PERFORMING ARTS MASTERY

This program is designed for students who excel in performing arts. Program expectations include two completed course credits in performing arts; design and implementation of a Capstone Project to benefit the Maryvale performing arts community and a portfolio that encapsulates the student's Performing Arts experience at Maryvale. Certificate of completion awarded at graduation.

HONOR ROLL

Honor Roll achievement is calculated each quarter and each semester. There are two levels.

First Honors	4.00 or higher in all courses
Second Honors	3.55 or higher in all courses

Due to the small size of the graduating class and proficiency sectioning, **Maryvale Preparatory School does not rank.**

ADVANCED PLACEMENT

In May 2020, 81 students completed 171 AP exams; 84% scored a 3 or above on one or more of the tests. MD state comparative 2020 passing average is 31.5%.
