

**ATHLETIC TRAVEL PERMIT**

I hereby give my consent for \_\_\_\_\_ to travel to and from athletic practices and contests held by the Maryvale Preparatory School Athletic Department. I understand that it is the Athletic Department’s policy to provide transportation by commercial bus or van. However, in the event that a commercial bus or van is not available, private transportation may be used. I understand that these vehicles will be driven by responsible individuals, such as coaches, parents or school personnel. These individuals cannot be held responsible for any accident or injury that might occur. I further understand that, should any injury occur, I accept responsibility for any medical expenses beyond that covered by the transportation liability of the school.

It is understood that each athlete is expected to ride in the school provided transportation to all away contests, unless a parent/guardian has made arrangements with the athletic director to personally take the athlete to the location of the game. It is understood that an athlete MAY NOT drive herself to an activity, unless under extreme circumstances for which her parent/guardian has contacted the athletic director prior to the game. If an athlete violates these travel policies and procedures, she is subject to disciplinary action by the school, which will include suspension from her team.
