

MARYVALE

REPORT OF GIVING FY 2022

Message from the President

Once again, I am humbled by the generosity of the Maryvale community. I am thrilled to share that we have reached our ambitious goal of \$11 million in our **Because of Maryvale Capital Campaign!**

With the extraordinary support of many alumnae/alumni, families and friends, this historic campaign has completed renovations that added new academic spaces on every floor of the Castle, and upgrades and enhancements to every other building on campus. Campaign donations have also added **13 new named endowment funds**, almost doubling the size of Maryvale's relatively small endowment. I am beyond grateful to our Campaign Co-Chairs Scott Cerasoli and Marty Voelkel-Hanssen '75 for their inspirational leadership, and to the entire Campaign Cabinet for their tireless efforts on behalf of Maryvale's future.

I am particularly proud to note that the campaign's largest lead gifts came from women philanthropists. And the final leadership gifts that pushed us over our goal were given by two proud Maryvale alumnae. This campaign for girls was started and finished by women.

Bolstered by the success of this campaign, we are poised to begin the next phase of our major gift fundraising initiatives. With an annual fund goal of \$850,000 for this year and an ambitious plan to raise another \$2 million for endowment, *we are confident that with your help, these goals are within reach!*

There is no better time than now to support Maryvale. These recent milestones and awards underscore the impact of our school: Maryvale was named a **winner** in the 2022 Maryland Daily Record Reader's Rankings for the **Best Private High School** category, as well as a **Baltimore Sun's Top Workplace** for a *fourth* consecutive year. Class of 2022 graduates are thriving in colleges as varied as the University of Pennsylvania, UVA, Colorado State, U.S. Air Force Academy and Howard University. Fifteen students in the Class of 2023 have signed National Letters of Intent to play at colleges and universities including Northwestern, Xavier University, Elon University and UMBC. Maryvale continues to be a top choice in the competitive all-girls' private school market, especially with 21 AP course offerings. In 2022, 87 percent of students in AP courses scored a 3 or higher on their final exams and there were 46 AP scholars.

As we await the blessings of a new year, I look forward to your continued generosity and support for Maryvale. *Please know how truly thankful I am for each of you and for all you do for our girls.*

Gratefully,

Tracey H. Ford, President

P.S. My personal highlight from the 2022 school year was being surprised with a school ring from my "sister" class of 2023. I will cherish it forever!

Trinity Society

The Trinity Society of Maryvale honors alumnae/alumni, parents, grandparents and friends who have included Maryvale in their estate plans. Established as Maryvale Trinity College Preparatory School in 1945, the Trinity Society captures the history and spirit of giving a priceless investment in the future of the school.

Thank YOU!
**We truly appreciate all you do for
Maryvale and we are extremely
grateful for your continued support.**

Gifts to the annual fund listed in this report include those received between July 1, 2021 and June 30, 2022. The Advancement Office has made every effort to ensure the information in this report is accurate and complete. However, sometimes errors do occur, and for this we apologize in advance. If you contributed to Maryvale during the 2021-2022 fiscal year, and you find that your name has been omitted or listed under an incorrect heading, please advise us by emailing koglerm@maryvale.com.
